Dear Club Member,

The government recently introduced GDPR legislation that strengthens the law in respect to the privacy of digital data. We took steps in January 2018 to comply with the legislation, which included producing a Statement of Compliance and a Privacy Policy which covers our use of your data in relation to club membership.

If you would like to read the Privacy Policy, it is available on the Club website here:

<https://nwcc.info/privacy-policy/>

Although most data held by us is under the lawful basis of *legitimate Interests*, there are two categories of data that require your *consent*, both of which relate to publishing information:

1. Each year, the Club Yearbook contains a list of all member names and their boats. **We will need consent from you to publish your name in the Yearbook from the 2019 Yearbook onwards.**
2. From time to time, the Club publishes photos and videos of events, both social and on the water, which may include you. **We will need consent from you to publish these photos and videos in future.**

We would be very grateful if you would therefore return this form, completed for all Club members at the household.

Names & Signatures: _____

_____ Boat Name: _____

We hereby give consent for the North Wales Cruising Club to (please tick):

- Publish our names and boat name in the annual Yearbook (if applicable)
- Post pictures and videos of us at Club events

Many thanks in advance.

Yours Faithfully,

Austin Goudge
